5 CROZERVILLE ROAD ASTON, PA 19014

MAXSPEED™

THE TOUGHEST HIGH SPEED RUBBER DOOR AVAILABLE!

BENEFITS

Impactable design reduces maintenance and repair costs and decreases downtime
SAFE, springless operation eliminates safety concerns associated with springs
Fast operating speeds reduces air infiltration which leads to reduced energy costs
Increases productivity and traffic flow due to quick acting door functionality
Limited Lifetime Warranty on RhinoMax™ rubber curtain
72 Hour Quick Ship on even foot widths from 8' to 16'

FEATURES

Flexible curtain releases from guides upon accidental impact with breakaway system
Simple springless design with only five moving parts provides reliability and longevity
Direct Variable Frequency Drive Control Panel: self-diagnostic display and easy to use, mounted with clearly marked OPEN/CLOSE/STOP.
Dual Loop Safety edge for an airtight seal
1 million cycle standard rating on drive system
