5 CROZERVILLE ROAD ASTON PA, 19014

# MAXSPEED®

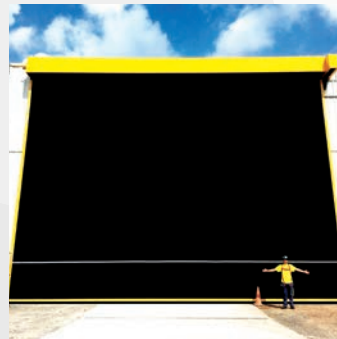

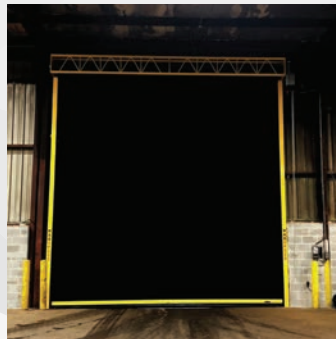

## The Toughest High Speed Rubber Door Available

### BENEFITS

- SAFE, springless operation eliminates safety concerns associated with springs
- Impactable design reduces maintenance, repair costs, and decreases downtime
- With fast operating speeds productivity is maximized while air infiltration & energy loss are minimized
- Limited Lifetime Warranty on our reinforced 1/4" thick rubber curtain
- Optional Patent pending soft bottom edge reduces damage to heavy equipment upon impact

### FEATURES

- Flexible curtain releases from guides upon accidental impact with breakaway system
- Simple springless design with only five moving parts provides reliability and longevity
- Direct Variable Frequency Drive Control Panel: easy to use self-diagnostic display
- Dual Loop Safety edge for an airtight seal
- 1 million cycle standard rating on drive system
